financed by the Polish National Agency for Academic Exchange

Candidate's evaluation sheet

I. Evaluation sheet for TUL's (outgoing) Candidates:

First name and surname of the Candidate	
---	--

Formal criteria:

PhD candidate status (confirmed based on current TUL's information)	YES <input type="checkbox"/>	NO <input type="checkbox"/>
Foreign language skills on at least B2 level (confirmed based on the Candidate's statement)	YES <input type="checkbox"/>	NO <input type="checkbox"/>

Substantive criteria:

Criterion	Description	Number of points
I. Thematic scope and methods of implementation of the planned mobility (max. 40 points)	<p>Assessment of the characteristics and justification of planned activities, taking into account the type of mobility, i.e.</p> <ol style="list-style-type: none"> scientific value of the submitted application in the context of scientific discipline in which the Candidate carries out his/hers doctoral thesis (up to 10 points); Assessment of the justification of the planned activities and the adequacy of planned costs and mobility time (up to 10 points) Type of mobility (up to 20 points*): <ol style="list-style-type: none"> conducting scientific research as part of the doctoral dissertation, obtaining materials for a PhD thesis/scientific article (up to 20 points) participation in short forms of education and training (up to 7 points) active participation in an international conference (up to 5 points) participation in the preparation of an international grant application (up to 5 points) other forms of education and other activities meeting the program requirements, enabling the increase of the Candidate's competences (up to 2 points) <p><i>*The Candidate may receive no more than 20 points even if the sum of points for the implementation of particular forms of education is higher than 20.</i></p>	

*Appendix 6 to the Rules for participation in the project implemented by Lodz University of Technology.
under the PROM programme - International scholarship exchange of PhD candidates and academic staff
financed by the Polish National Agency for Academic Exchange*

<p>II. Expected effects of the planned mobility and its impact on scientific development and raising competences of the Candidate (max. 20 points)</p>	<p>1. Assessment of the justification of mobility in the context of the needs arising from the implementation of the doctoral dissertation (up to 8 points)</p> <p>2. Assessment of justification of mobility in the context of the Candidate's scientific development (up to 8 points)</p> <p>3. Assessment of anticipated effects of planned mobility (e.g. scientific publications, preparation of international project applications, raising specific competences) (up to 4 points)</p>	
<p>III. Impact of the planned mobility on increasing international cooperation and mobility in the TUL's unit and the reputation of a selected hosting research center or research group (max. 15 points)</p>	<p>1. Assessment of the extent to which the proposed mobility will contribute to the development of international cooperation at TUL's unit (up to 10 points)</p> <p>2. Reputation of the hosting research center or research group and assessment of the justification for its selection (up to 5 points)</p>	
<p>IV. Current course of the Candidate's scientific or academic activity and scientific achievements relevant to a given discipline and stage of scientific career (e.g. year of education and progress in preparing doctoral dissertation) (max. 20 points)</p>	<p>1. Evaluation of the current publication, artistic or implementation achievements of the Candidate, relevant to the scientific discipline</p> <p>2. Participation in research, implementation and educational projects, including international initiatives</p> <p>3. Other achievements relevant to the scientific discipline (up to 5 points)</p>	
<p>V. The criterion for the first participation in the PROM project (0 or 5 points)</p>	<p>1. The Candidate who has obtained funding in the 2018/2019 PROM project receives 0 points.</p> <p>2. The candidate who has not received funding in the 2018/2019 PROM project receives 5 points.</p>	
<p>Total number of points (max. 100)</p>		
<p>Application recommended for funding</p>		<p>YES <input type="checkbox"/></p> <p>NO <input type="checkbox"/></p>
<p>Decision of the UQC</p>		<p>qualified <input type="checkbox"/></p> <p>reserve list <input type="checkbox"/></p> <p>rejected <input type="checkbox"/></p>

II. Evaluation sheet for (incoming) Candidates from foreign institutions:

First name and surname of the Candidate	
---	--

Formal criteria:

PhD candidate status <i>(confirmed based on the official statement issued by the Candidate's home institution)</i>	YES <input type="checkbox"/>	NO <input type="checkbox"/>
Foreign language skills on at least B2 level <i>(confirmed based on the Candidate's statement)</i>	YES <input type="checkbox"/>	NO <input type="checkbox"/>

Substantive criteria:

Criterion	Description	Number of points
I. Thematic scope and methods of implementation of the planned mobility (max 30 points)	<p>Assessment of the characteristics and justification of planned activities, taking into account the type of mobility, i.e.</p> <ol style="list-style-type: none"> 1. scientific value of the submitted application in the context of scientific discipline in which the Candidate carries out his/hers doctoral thesis (up to 10 points); 2. Assessment of the justification of the planned activities and the adequacy of planned costs and mobility time (up to 10 points) 3. Type of mobility (up to 10 points*): <ol style="list-style-type: none"> a. conducting scientific research as part of the doctoral dissertation, obtaining materials for a PhD thesis/scientific article (up to 10 points) b. participation in short forms of education and training (up to 5 points) c. teaching (up to 5 points) d. participation in the preparation of an international grant application (up to 5 points) e. active participation in an international conference (up to 5 points) f. other forms of education and other activities meeting the program requirements, enabling the increase of the Candidate's competences (up to 2 points) <p><i>*The Candidate may receive no more than 10 points even if the sum of points for the implementation of particular forms of education is higher than 10.</i></p>

II. Expected effects of the planned mobility and its impact on scientific development and raising competences of the Candidate (max. 15 points)	1. Assessment of the justification of mobility in the context of the needs arising from the implementation of the doctoral dissertation (up to 5 points) 2. Assessment of justification of mobility in the context of the Candidate's scientific development (up to 5 points) 3. Assessment of anticipated effects of planned mobility (e.g. scientific publications, preparation of international project applications, raising specific competences) (up to 5 points)	
III. Impact of the planned mobility on increasing international cooperation and mobility in the Candidate's home institution and the reputation of home research center or research group (max 20 points)	1. Assessment of the extent to which the proposed mobility will contribute to the development of international cooperation between TUL and the Candidate's home institution (up to 15 points) 2. Reputation of the home research center or research group (up to 5 points)	
IV. Current course of the Candidate's scientific or academic activity and scientific achievements relevant to a given discipline and stage of scientific career (e.g. year of education and progress in preparing doctoral dissertation) (max. 30 points)	1. Evaluation of the current publication, artistic or implementation achievements of the Candidate, relevant to the scientific discipline 2. Participation in research, implementation and educational projects, including international initiatives 3. Other achievements relevant to the scientific discipline (up to 5 points)	
V. The criterion for the first participation in the PROM project (0 or 5 points)	1. The Candidate who has obtained funding in the 2018/2019 PROM project receives 0 points. 2. The candidate who has not received funding in the 2018/2019 PROM project receives 5 points.	5
Total number of points (max. 100)		
Application recommended for funding		YES <input type="checkbox"/> NO <input type="checkbox"/>
Decision of the UQC		qualified <input type="checkbox"/> reserve list <input type="checkbox"/> rejected <input type="checkbox"/>
